

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY

GREEN INITIATIVES CELL, CUSAT FOR SUSTAINABLE DEVELOPMENT

A Green Campus Initiatives Cell (GCI Cell) has been constituted by the University for pursuing sustainable development of the campus. GCI Cell plays an important role in assessing environmental impacts and integration of sustainability perspective into day-to-day functioning of the university in order to ensure optimum utilization of available resources.

The committee comprises the university administrative team including those in leadership roles, along with representatives from cross functional departments. A faculty member is designated as the Convenor and rest of them will form the committee members responsible for envisioning, designing, implementing and monitoring of environment friendly activities at campus. Dr.Sangeetha K.Prathap, Associate Professor, School of Management Studies is the Convenor of Green Campus Initiatives Cell.
