

AMRITA

Amalgamation of Medicine, Research and Innovative Technology for Action **5th International Public Health Conference**

December 2 and 3, 2022

'CLIMATE CHANGE: A PUBLIC HEALTH THREAT'
AMRITA INSTITUTE OF MEDICAL SCIENCES, KOCHI

October 17th, 2022

Dear Prof. Dr. Abhilash S.,

Warm Greetings from Amrita Institute of Medical Sciences (AIMS) !

The Department of Community Medicine and Public health, Amrita Institute of Medical Sciences, Kochi, Kerala, in collaboration with University of Arizona and Cochin University of Science and Technology, India is hosting the 5th AMRITA International Public Health Conference AMRITACON 2022 (www.amritacon.com) on 2nd and 3rd December at Kochi, Kerala, India.

The theme of the conference is 'Climate change: A Public Health Threat'. Your experience as a researcher in the field of atmospheric sciences and radar research will enrich our conference. We extend a warm invitation to you as a speaker on the topic 'Extreme events and Health Issues'. The presentation is scheduled on 3rd December. The exact time of the presentation will be intimated later. (Tentative time - 9:30 – 9 50am).

As public health professionals we look forward to learn from your experience in this field.

Thanking you,

Sincerely,

Dr. Teena Mary Joy
