To

Prof. (Dr.) Honey John

Inter University Centre for Nanomaterials and Devices
CUSAT, Kochi

Dear Dr. Honey,

Kerala Academy of Sciences (KAS), a premier professional Organization promoting Science and Technology in the State of Kerala as well as in the Country in befitting ways and inculcating scientific temper among the younger generation, has been active in S&T promotion ever since its inception in 1989. This year, the Academy has observed and celebrated the National Science Day-2024 in 25 selected Colleges/Schools and other research/academic institutions across the State of Kerala covering all the fourteen Districts of the State, through Seminars on the NSD 2024 theme 'Indigenous Technology for Vikasit Bharat'. Your help and cooperation to make the programme stupendous were invaluable and KAS is ever grateful to you for making it a grand success.

Thank you Dr. Honey for being a star speaker in the National Science Day-2024 Programme, organized by KAS at Sacred Heart College, Thevara on 5.3.24. Your presentation on the contemporary developments of Science and Technology in your area of expertise, linking to the theme 'Indigenous Technology for Vikasit Bharat', was well appreciated by the participants as well as by the local organizers. We solicit your continued support and involvement in all the future programmes of KAS, an organization so respected by the scientific community at large and very dear and revered collective of all of us.

With kind regards,

Yours sincerely

Prof. Dr. G. M. Nair
President, KAS

Dr. K. B. Rameshkumar
General Secretary, KAS
