The screenshot shows a web browser displaying the Cochin University of Science and Technology website. The page title is "Screen Reader Access". The text explains that the university's website complies with the Indian Government Websites and W3C Web Content Accessibility Guidelines (WCAG) 2.0 level A. It lists various screen readers like JAWS, NVDA, Supernova, and Window-Eyes. A table provides details about Non Visual Desktop Access (NVDA) and System Access To Go.

Screen Reader Access

The University Grants Commission website complies with Guidelines for Indian Government Websites and World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG) 2.0 level A. This will enable people with visual impairments to access the website using technologies, such as screen readers. The information of the website is accessible with different screen readers, such as JAWS, NVDA, Supernova and Window-Eyes.

Following table lists the information about different screen readers:

Information related to the various screen readers

Screen Reader	Website	Free / Commercial
Non Visual Desktop Access (NVDA)	http://www.nvda-project.org/ (External website that opens in a new window)	Free
System Access To Go	http://www.satogo.com/	Free
