Happy to be a part of the Table Talk organized on Research, Education and Employability (in alignment with [#UnitedNations](#) [#SDG4QualityEducation](#)) as one of the panelists. The need for Memorandum of Understanding (MoU) between higher learning institutions was pointed out during the discussions. Further, the need for motivating more and more students for research was also pointed out. The activities and research under the Centre for the Study of Social Exclusion and Inclusive Policy of [Cochin University of Science and Technology](#) were also mentioned in the discussion. Thank you [Jamia Al Hind Al Islamiyya](#) for hosting this wonderful event. Hope [Jamia Al Hind Al Islamiyya](#) will become a centre for more such discussions, debates and deliberations pertinent to academia, research and society.
