The international seminar on Global Horizons : Navigating Higher Studies, Research and Career Abroad organized by Moulana College of Pharmacy, Perinthalmanna in association with Science for Humanity was a really an excellent platform for academic discussions. Happy to be a speaker on the topic 'Research Opportunities in and around Kerala' in the seminar. It was an excellent opportunity to interact with distinguished resource persons like [P. K Hashim](#), [M.V Jabir](#) etc. Congratulations [PP Naseef](#) for excellent organization of the event with 500+ participation from various institutions.
