Dear Professor,

Nesamony Memorial Christian College, Marthandam is proud to welcome you as a Resource Person for giving a Plenary lecture at the International Conference on Interdisciplinary Research in Chemistry (ICIRC'23) to be held on 24th and 25th February, 2023 at Nesamony Memorial Christian College, Marthandam, Tamilnadu, India. Your experience in the various fields will greatly contribute to enrich the conference. Your participation would lead to future collaboration with your institute in areas of mutual interests and expertise.

The main aim of the conference is to bring together researchers from academia and industry to share their knowledge on the recent developments in the field of Interdisciplinary Science. This conference will be one of the best international meetings in our region dedicated to Advanced Research in Interdisciplinary Chemistry. We are extremely happy to welcome you to this international gathering to give a plenary lecture.
