

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY

PROVISION FOR HEALTHY AND AFFORDABLE FOOD CHOICES FOR ALL ON CAMPUS

1. International Canteen

An international canteen is functioning in the international hostel where multi cuisine facility is available.

2. Canteen Facility for Students and Staff

Canteen facility is in the University by which the staff and students can access quality food and beverages at subsidized prices. Four canteens (two on the main campus, one each in School of Engineering and Cochin University College of Engineering Campuses) and a kiosk are providing quality snacks and nourishments. A wide variety of south Indian and north Indian dishes are available at these restaurants which cater to the needs of students from all over India. Functioning of the canteen including preparation of food menu and its price are monitored by a committee comprising staff and students' representatives.

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY

3. Hostel Mess Facility for Students at University Hostels

Canteen facility is available in all 14 hostels of the University which provide healthy and affordable food for students. The functioning of hostel messes are managed by students' committees and these committees decide food menu, price etc.
