

## REPORT

On December 2, 2023, Cochin University of Science and Technology (CUSAT) hosted a Constitutional Day Awareness Quiz aimed at enhancing knowledge of the Indian Constitution among its staff and students. This engaging initiative sought to educate participants about the Constitution's key features, principles, and amendments while fostering a sense of community through collaborative learning. The quiz featured various question formats, covering topics such as fundamental rights, duties, and significant landmark judgments. By promoting critical thinking and encouraging dialogue on constitutional issues, the event not only increased awareness but also stimulated discussions around civic responsibilities. Participants left with a deeper understanding of the Constitution's relevance in contemporary society, and the event culminated in recognition for outstanding performers, further incentivizing engagement and commitment to constitutional literacy within the university community.
