REPORT OF THE RESEARCH STAY CONDUCTED BY DR. RABIA MRABET
TEMSAMANI

at

School of Legal Studies

Cochin University of Science & Technology, Kochi, India.

April 15, 2024 to July 15, 2024

Myself, Dr. Rabia M'Rabet Temsamani, a Post-doctoral researcher and Professor, University of Jaen, Spain was affiliated with the School of Legal Studies at Cochin University of Science and Technology (CUSAT), Kochi, on a **Research Stay** to conduct advanced research on Marine Renewable Energy from April 15 to July 15, 2024. During my research tenure, I could actively participate in numerous academic activities, including serving as a Lecturer, Resource Person, and Speaker. After my arrival I had productive meetings with the Vice-Chancellor and Registrar of CUSAT.

I could successfully establish an academic network aimed at fostering future collaboration and cooperation between Spanish and Indian universities, primarily between universities in Kerala and Jaén University in Spain. During my Stay I had interactive Sessions with Faculty members and students of School of Legal Studies, CUSAT to explore scope for legal Research through European Research Groups. In my initiative, four Faculty members of SLS, CUSAT could participate and present papers in **IV International Congress on Innovation in Teaching and Research in Social and Legal Sciences. New Teaching and Learning Competencies for Higher Education," held virtually on the inndoc.org platform on June 27 and 28, 2024.** Furthermore, during my stay, I attended the 22nd Summer Course on International Law organized by the **Indian Society of International Law** in New Delhi from June 18 to June 28, 2024.

With the support and efforts of School of Legal Studies, CUSAT I could associate with Other Academic institutions imparting Legal Education in Kerala. I could associate with **National**

University of Advanced Legal Studies, Kochi on 15/4/2024 as **resource Person** with an International Conference on Marine Renewable Energies.

I also delivered as resource Person a special lecture on **UNCLOS & Marine Scientific Research** at **ICREP, CUSAT** on 16/4/2024. I also accepted voluntary the invitation of **Dr Anil R. Nair**, professor at the National University of Advanced Legal Studies, to give a lecture on “**Marine Renewable energy: Legal Framework and Implementation Challenges**” to the students of **LL.M International Trade Law** on 15 May 2024.

On 23 April 2024, I was invited as a speaker, by School of legal Studies of cochin University of science and Technology with the collaboration of Cochin University Maritime Club, with a topic on **European Common Law and Marine Renewable Energy Policy.**

I was also invited to act as a resource Person in the International Conference organized by **MT. Zion Law College, Pathanamthita** on **13/6/2024**. I was invited as a resource Person **Kerala International Conference titled: Empowerment, Justice and Humanities: Bridging Human for Marginalized” on 29 June 2024** held at the Senate Chamber, University of Kerala. I could share my research experiences on a “Visited Lecture Series- Walk with a Scholar XIV” convened by **Kerala Law Academy Law College, Trivandrum** on **1/07/2024**.

I attended three Ph.D.Program open defenses, where I posed insightful questions to the candidates. During my Stay I could provide valuable tutorials and Internships to students of School of Legal Studies, guiding them and addressing their questions on legal research, with a particular focus on marine renewable energies and actively engage with volunteers at the **Cochin University Maritime Club**, enriching the academic and extracurricular environment at CUSAT.

I also propose to conduct **online course on Marine Renewable Energies** to students of School of Legal Studies in future alongside other academic activities.
