

ABOUT SCHOOL OF LEGAL STUDIES

The School initially began as the Postgraduate Department of Law at Kerala University in 1962. Since its inception, it has been at the forefront of promoting postgraduate studies and research in the field of law. Its dedication to societal advancement is evident in its focus on developing teaching and research that address socially significant and nationally critical new areas of law. Currently, the school provides a diverse range of programs including BBA/LL.B (Hons.), BCOM/LL.B (Hons.) as five-year integrated courses, a traditional three-year LLB, LLM and Ph.D. programs.

SEMINAR OBJECTIVE

This one-day National Seminar is an enlightening event designed to foster academic excellence and visibility in the research community. The primary objective of this seminar is to emphasize the critical role of research in the academic sphere and to explore strategies for increasing the visibility of academic works. It will feature expert-led interactive sessions and this platform provide an opportunity to network, share ideas, thereby fostering a supportive community for scholarly endeavors.
