

Workshop Series on R Programming

September 15, 16 & 30

About the Department

The Department of Statistics was established in 1996 and offers M.Sc. programme in Statistics, M.Tech. in Data Science and Analytics besides research programme leading to Ph.D degree. The Department is actively engaged in research in the fields of Distribution theory, Reliability theory, Time series analysis, Information theory etc. The UGC has identified the department for the Special Assistance program (SAP) at DRS level III and the DST is extending financial support under FIST program.

About Old Students Forum

The Old Students Forum (OSF) is the Alumni Association of the Department of Statistics, CUSAT. OSF aims in creating awareness on the prospects of statistics and scope of higher studies in Statistics. OSF is actively engaged in conducting seminars, workshops, quiz competitions, project competitions and other academic activities across the state. OSF also provides a platform for information on notifications of Job vacancies, workshops / seminars, congratulatory notes and other important events related to Statistics.

Organised by
Old Students Forum
Department of Statistics
Cochin University of Science and
Technology, Cochin 682 022.

About the Workshop

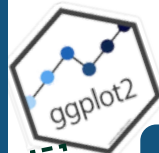

Unlock the power of data analysis and visualization with our comprehensive R Workshop! Join us to learn R programming, data manipulation, and visualization techniques. Discover how to effectively analyze data, create insightful visualizations, and gain valuable insights for your research. Our hands-on approach and expert instructors will guide you through practical exercises and real-world examples, ensuring you leave with practical skills to harness R's capabilities. Elevate your data analysis game – enroll in the R Workshop ASAP!

Registration Details

We can accommodate a maximum of 20 participants for the workshop. Participants should be familiar with the fundamentals of R programming. For registration, please go to the following link
<https://forms.gle/n5jjZCZr1e6EnF4X7>.

Registration fee for the workshop is Rs. 750. Fee includes workshop kit, tea and snacks. Participants are required to bring their own laptops.
