## INTERNAL QUALITY ASSURANCE CELL

No.IQAC/Webportal /2017

Kochi-22, Dated: 16-01-2019

### ORDER

Read: (1) U.O.No.IQAC/Webportal/2017 dated 09/11/2017.

An institutional database through Management Information System (MIS) for the purpose of monitoring/enhancing/maintaining the institutional quality has to be developed and maintained by IQAC, as per guidelines of NAAC.

As a first phase, IQAC has developed a web portal (<http://iqac.cusat.ac.in/Portal>) for collecting and analyzing information on academic and research activities/achievements of faculty members and for streamlining the existing process of data collection with the help of CIRM.

Considering this, sanction is accorded by the Vice Chancellor for the following:

- i. To collect and analyse information on various aspects of the University functioning through the web portal developed by IQAC.
- ii. To upload information on academic/research activities, achievements, basic personal information etc of the faculty members by themselves in the portal.
- iii. To extract and to use details uploaded in this portal for the future CAS promotion of the faculty members concerned.

All Faculty members of the University are directed to register in this portal (<http://iqac.cusat.ac.in/Portal>), upload their details and update it regularly.

Orders issued accordingly.
